Mentorship + Social and Emotional Learning Foundations Curriculum

What is Classroom Champions curriculum?

With all the obstacles and setbacks students currently face, they need help to harness the skills to dream big. Social and emotional learning (SEL) is foundational to success in both school and in life.

Through Classroom Champions SEL Foundations Curriculum, empower your students to realize their full potential with eight thematic units, featuring Olympic and Paralympic athlete mentors sharing their personal video stories about the SEL skills that have helped them to succeed.
